ORDER

Defendant(s). )

This matter is before the Court on the parties' Stipulated Discovery Plan and Scheduling Order, filed on April 18, 2014. *See* Docket No. 15. The proposed discovery plan misstates Local Rule 26-4, in that it provides that requests to extend deadlines in the scheduling order need only be filed 21 days prior to the discovery cut-off date. *Id.* at 2. Local Rule 26-4 requires that any request to extend deadlines set forth in the scheduling order must be submitted at least 21 days before the subject deadline. For example, any request to extend the deadline for initial expert disclosures must be filed at least 21 days before the expiration of that deadline. Such a request filed only 21 days before the discovery cut-off would be untimely.
